Think → Act → Impact

A framework for analyzing the impact of thoughts

THOUGHT	→ ACTION	→ IMPACT
A thought _____ (person or group) had is...	Therefore they...	An effect/impact of this action was...

Think → Act → Impact

A framework for analyzing the impact of thoughts

What is something you know the person (or group) **THINKS**?

What **ACTIONS** did they do because of that thinking?

What **IMPACTS** did that have on the place they lived? On other people? On their own life?
